

**PETITION TO WAIVE  
THE PRE-PAID HOUSING REQUIREMENT  
TEMPLE UNIVERSITY, JAPAN CAMPUS**

Temple University, Japan Campus (TUJ) requires all international students on a TUJ sponsored visa to prepay and stay in TUJ approved housing during their first semester of studying in Japan. In limited circumstances, exceptions may be granted to students who:

- (i) live with a parent or immediate family member currently residing in Japan;
- (ii) have lived in Japan continuously for six (6) months immediately prior to filing this petition;
- (iii) are married; or
- (iv) can document and substantiate another highly compelling reason to grant this petition.

To request an exemption from the university's housing requirement, please **(1)** complete and sign this form; **(2)** provide a detailed statement about the grounds for waiver; **(3)** complete the Statement of Host / Housing Guarantor; and **(4)** provide a copy of the lease, if possible. In the event that the university denies a petition to waive the university-approved housing requirement, a student will automatically be assigned to TUJ-approved housing.
