**MORE TIME**

You can make one appointment every day. Write your name on the signup sheet one time for each day. Not more.

Appointments are 30 minutes.

**You want more time?**

1. **You can stay longer** – if tutors aren’t busy.

2. **Come back later.** Don’t write your name again, but tutors can help you again – if they aren’t busy. Come back even if it looks busy – if someone with an appointment doesn’t come, tutors can help you.

3. **Come together with a classmate.** You sign up for a 12:00 appointment, your classmate signs up for 12:30 – come together at 12:00 and work with a tutor for an hour. (or 3 people / 90 minutes)
