"Friends of TUJ" Discount Program

We offer a special discount program called "Friends of TUJ" to employees at corporations and organizations that register with us. Employees at the corporations and organizations enrolled in this discount program will receive 15% off all tuition and fees for any Continuing Education course or workshop. There is no cost for an organization to register for this discount program.

Temple University Student, Alumni and Parent Discount

As part of our commitment to the lifelong learning of our students, all individuals who are currently enrolled in or have graduated from a TUJ degree program may receive 20% off all tuition and fees for any Continuing Education course or workshop. This offer is also extended to parents of currently enrolled undergraduate students at TUJ.

Refer-A-Friend Campaign

Please refer a friend or colleague who has never taken a course at the Continuing Education program. Each of you will receive a 3500 yen discount on your next Continuing Education course.

Note: The above discounts cannot be combined, except the refer-a-friend campaign.

Certification Path Package (CPP)

The Certification Path Package (CPP) is a cost-effective and convenient option for those pursuing a certificate program, allowing them to bundle either elective or core courses together. To qualify for the CPP, students must register for a Professional Training Certificate, pay the full CPP price upfront, and not have completed any of the bundled courses within the last three years.
