## FALL 2018

### U.S. BAR EXAM STUDY COURSE

The TUJ Law U.S. Bar Exam Study Course is a comprehensive lecture series on techniques and strategies to take a U.S. state bar exam. The course is designed to introduce students to the structure of a bar exam, provide practical tips on studying for and taking the exam, and give students practice covering each part of the exam, the multistate/multiple-choice section ("the MBE"), state essays, and the multistate performance test ("MPT") questions. Students also can participate in three workshops that are one-day each: MPRE Workshop, Essay Workshop and MBE Workshop.

The course will use many different resources, including doctrinal lectures, classroom discussions, substantive outlines, many practice questions, and individual coaching. In this class, as with the bar exam, what matters most is results, and our goal is to make sure that each of you can use these various inputs to produce successful outcomes.

テンプレ大学ジャパンキャンパス・ロースクールでは、米国弁護士試験を受験する方を対象にそのテクニックと戦略を教えるコースを開講します。このコースではMBE(選択問題)、エッセイ、MPTの各問題形式を網羅し、米国弁護士試験の試験構成や試験に役立つ知識を紹介します。また、今回はMPREワークショップ、エッセイワークショップ、MBEワークショップを行います。この3つのワークショップはそれぞれ1日かけて行います。

このコースでは、通常の講義のほかにも、ディスカッション、グループアクティビティ、科目ごとのアウトライン、ノートテイキング、クイズ、個人指導など、さまざまな方向からアプローチします。講義で得た知識と情報が米国弁護士試験で十分に発揮できるよう導きます。
